Hello!

We're part of the team that look after the pipes that bring gas to homes across Wales and south west England.

Whether it's heating your home, cooking the family dinner or making sure there's hot water on tap, we're working hard to make your everyday special.

So while we like to think we're already connected, this summer we want to get closer.

Let us know what you think about the services we provide. Go to PipeUpOnline.co.uk and share your thoughts.

Your views will help shape the future of your gas network, keeping you safe and warm now and for generations to come.

Connected to you.

We're at work every day, keeping you connected, safe and warm.

- Our team delivers the national gas emergency service across Wales and south west England.
- Every week we invest £2 million pounds looking after your gas network, making sure it's reliable and fit for generations to come.
- Every year we connect thousands of new homes and businesses so even more people can benefit from our services.

Tell us what's most important to you, and you could win a £100 Amazon.co.uk Gift Card*.
