Subject: P/2018/0463 - Updated Bat Survey

Hi Philip

P/2018/0463 – Co-op High Street Coedpoeth

As discussed, in reference to the above application, please find attached the updated bat survey (which is referred to in the submitted reports). The survey concludes that there are no bat roosts present in the building.

Also, I can't see our cover letter online? I have reattached this just in case you haven't received this.

If both of these can be uploaded onto the system please.

I trust this is of assistance.

Many Thanks

Lorraine
