

The diagram illustrates the selection process for a tree to be felled. It shows a grid of trees represented by squares. The top-left square is shaded brown and labeled 'Refuse storage Positions'. The bottom-left square is shaded blue and labeled 'Existing tree to be felled'. The bottom-right square is white and labeled 'Existing tree retained'. The grid is divided into four quadrants by a horizontal and vertical line. The top-left quadrant is brown, the top-right is white, the bottom-left is blue, and the bottom-right is white.
