PLEASE NOTE

Due to the age, materials, construction & layout of existing buildings dimensions and levels have been taken from the drawings and not from the buildings themselves. While these efforts are made, wall thicknesses sometimes differ according to height & width which are not straight & may 'bow' mid-run. Also due to slightly sloping walls, floor levels may differ slightly from the levels shown. Also due to slightly sloping walls, floor levels may differ slightly from the levels shown. Also due to slightly sloping walls, floor levels may differ slightly from the levels shown.

The drawings and the works described are the copyright of the Designer and Planning Associates Ltd (DPA) and may only be reproduced with written permission. No attention to the design or specification in part or whole to be made without the written approval of DPA.

All dimensions and levels depicted are subject to checking and verified on site prior to construction. Dimensions are to be immediately notified to DPA. Revised dimensions to be used only.

The information embodied in this drawing must only be used as a guide to the work. The location of any services indicated on this drawing are approximate only and must be checked on site by the main contractor before commencing work.

Client/Contractor is to be responsible for locating any underground services.

Local Regulations - Where applicable the designer has based the design on the current local regulations. It is considered that a competent contractor will be able to identify hazards associated with the project from a risk management plan, and take the necessary measures to avoid or control the risks. The designer is not responsible for the safety of the work or the safety of the day-to-day management of the site safety.

Compliance with the construction design and management regulations (CDM) is the sole responsibility of the client unless we are otherwise instructed in writing.

CONSTRUCTION NOTES - GENERAL:

Notwithstanding anything contained in this document or any other document forming part of the contract, the contractor shall be responsible for ensuring that the design meets the requirements and all recommendations of all relevant Associations, Manufacturers, BRE, British Standards, Codes of Practice, Building Regulations, DPA, Laws, Statutes, and all other relevant regulations, and shall be responsible for obtaining all necessary approvals, permits, and consents from the relevant Authorities, Gas Authority, Electricity Authority, Institute of Heating and Ventilating Engineers and BRE Regulations.
