TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Location: O. S Grid Ref: 2679 5201 Land North East of Pen Y Nant, Church Road, Minera

Development: Application for approval of details reserved by condition imposed under planning permission P/2017/0583

Condition 5 – Submission of a construction environment management plan

I refer to your consultation dated 24 April 2018 in respect of the above.

The construction management plan ensures that mud will be kept from the road by the provision of wheel wash facilities. As access to the site is quite tight and on a bend with restricted visibility, it is essential that the traffic management plan is adhered to.

I am satisfied that the submitted plan is acceptable and the condition can therefore be discharged.
