Dear Matthew,

RE: Cats Protection, Old Fire Station, Wrexham - P/2017/0771

Thank you for the email dated 18th December 2017, in relation to the outstanding issues for the above site.

In relation to the points 2 – 5 still outstanding, I am in agreement with the comments, however please note that in future reports this information should be addressed as standard for all sites and documented within the reports.

Further to this, I can now discharge condition 5 of the P/2017/0771, I await the validation information in relation to the radon protection measures in order to discharge condition 6.

Should you have any queries regarding the above then please do not hesitate to contact me.

Yours sincerely
