Hi Stuart,

Can you have a look at Phil's request here regarding the parking area. Whilst I appreciate it may appear somewhat pedantic, I don't want to have to put this matter to committee with this issue – it would help if we could get the information as requested?

Hi Stuart,

Yes, I see no reason why it can't go to April subject to the plan coming in. I would be prepared to make a recommendation for approval as discussed.

Hi Philip,

thank you for the information. I will get the additional drawing to you this week. If I do will it go to

April's meeting. If you and highways are happy with my drawing will it go with a recommendation for approval.

I'm undecided if to speak or not but I assume I can let you know nearer the time.

Kind regards,

Stuart.
