Dear Sir or Madam,

We missed being able to object to the original planning proposal since we did not receive a letter, but would now like to object against the appeal.

We are the owners of the house opposite the planned apartments and are very concerned about the size of the development and the parking situation.

The development is totally out of place in the High Street and does not fit into the surrounding landscape.

However, the main issue is parking. It is unlikely that the residents of the apartments will only have one car, in fact they may have vans and their visitors will need to park. With only 1 space per apartment they will have to park on the High Street, taking spaces used by existing residents and possibly blocking others. We have no parking space ourselves, so this will really affect us.

Yours faithfully,

Mike and Rose Jones
