Thank you for consulting Natural Resources Wales regarding the above proposal, received on 10/04/2018.

Natural Resources Wales has no objection to the scheme.

Protected Species

We note that there is no information about protected species with the application and, therefore, are assuming that your Authority has screened the application and concluded that there is not a reasonable likelihood of protected species being present.

Environmental Management

Any waste excavation material or building waste generated in the course of the development must be disposed of satisfactorily in accordance with duty of care requirements under section 34 of the Environmental Protection Act 1990. The waste shall be transported using registered waste carriers to suitably permitted or exempt sites. Transfer notes shall be kept for each load for a minimum of 2 years.

Please do not hesitate to contact us if we can be of any further assistance to you or if you wish clarification on the above.

Our comments only relate specifically to matters that are included on our checklist "Natural Resources Wales and Planning Consultations" (March 2015) which is published on our website: (<https://naturalresources.wales/media/5271/150302-natural-resources-wales-and-planning-consultations-final-eng.pdf>).
