Hi Denise/Paula,

Sorry to chase you on this. I've drafted a report for the above which will go through Callover on Thursday. I just need to finalise the report which is missing reference to the Education Infrastructure in the area. I only need to know whether the schools are full so I can recommend a s106 to Members .

Grid ref for the site is 337555 – 341653 at LL13 0LJ

Hi Both,

I've got an outline resi scheme in Overton. It's likely to be for 4+ dwellings.

Can you let me know what the situation is in Overton from an Education capacity perspective. I'm looking to get the application to the next Planning Committee.

Thanks in advance,

Phil
