Dear Sir or Madam

Thank you for the consultation on this application.

The proposed new access road appears to directly impact part of the scheduled monument known as Offa's Dyke (SM DE 109 – see attached SM boundary plan). As the impact of development upon a scheduled monument is a material consideration of planning under PPW (Chapter 6, Edition 9) and TAN 24: Planning & the Historic Environment Cadw must be consulted to determine whether scheduled monument consent is required. In this case the primary contact would be Mr Neil Maylan via the Ancient Monuments Planning Admin section at amadminplanning@wales.gsi.gov.uk

Kind regards

Mark Walters
