Matthew

With regard to the emails below (the link is for the attached letter - Topsoil Validation Letter dated 13Feb18 from GroundSolve) I can confirm that these documents are satisfactory and address the outstanding matters referred to in my email dated 16 August 2016. I can therefore recommend that Condition 8 is discharged.

Good Evening Steve,

Thanks for your email the other day I will send over the 2 remaining items as soon as they come through but should only be a matter of days, please could you put on file the attached docs it was around the works carried out on the contaminated soil or pass on to whom has dealt with this.

Many thanks for all your help.

Regards

Tony Thackeray
