Dear Mr Isted,

**RE: APPLICATION FOR LISTED BUILDING CONSENT: PONTRICKET, LLANARMON
RAOD, TREGEIRIOG, LLANGOLLEN**

Thank you for notifying us of this application for listed building consent for replacement dormers and alterations to the fireplace.

The remit of the Royal Commission permits us to comment only on the historical significance and context of a monument or structure and on the adequacy or otherwise of the record. Pontricket Farm was listed for its special interest as a vernacular farmhouse of medieval origin retaining several crucks. The proposed alterations do not appear to affect the historic fabric significantly, but it is always possible that hidden features of historic interest may come to light during repairs and alterations. Any discoveries should be reported to the Conservation Officer and RCAHMW,

Yours sincerely,

RICHARD SUGGETT
