Dear John,

Thank you for your email. I confirm approval of the material details set out below and I look forward to receiving the K-Rend colour sample in due course.

Kind regards
Sharon

Dear Sharon,

Further to the meeting on the above site with our Contracts Manager Geoff Hughes I wish to confirm the following in respect of external facing materials;

- (a) Plots 1 & 4 are to have a K-Rend finish instead of brickwork.
- (b) The K-Rend colour to be agreed, samples to be submitted for your consideration.
- (c) The window heads are to be precast stone in lieu of the red brick soldier course. Colour to be "Bathstone" to match the cills.
- (d) Red brick feature dentil course and plinth to be omitted.

I would be grateful if you will confirm the above to enable progress to be maintained.

Regards
John
