Dear Sir/Madam,

**CONVERSION OF BARN TO RESIDENTIAL DWELLING
JUBILEE HOUSE SUN LANE BOWLING BANK WREXHAM**

Thank you for referring the above planning application received at our office 12th July 2016.

We recommend that your Authority screens the application to see if there is a reasonable likelihood of bats being present and the need for a bat survey in accordance with Technical Advice Note 5: Nature Conservation and Planning (paragraph 6.2.2).

Bats and their breeding and resting places are protected under the Conservation of Habitats and Species Regulations 2010 (as amended). Any development that would contravene the protection afforded to bats under the Regulations would require a derogation licence from Natural Resources Wales. A licence may only be authorised if:

- i. There is no satisfactory alternative and
- ii. The action authorised will not be detrimental to the maintenance of the population of the species concerned at a favourable conservation status in its natural range. In addition,
- iii. the development works to be authorised must be for the purposes of preserving public health or safety, or for other imperative reasons of overriding public interest, including those of a social or economic nature and beneficial consequences of primary importance for the environment.

Paragraph 6.3.7 of Technical Advice Note 5: Nature Conservation and Planning (TAN5) states that your Authority should not grant planning permission without having satisfied itself that the proposed development either would not impact adversely on any bats on the site or that, in its opinion, all three conditions for the eventual grant of a licence are likely to be satisfied.

Please consult us again if the survey finds that bats are present at the site. In the meantime, we cannot confirm that the proposal would not harm or disturb bats, or a breeding site or resting place used by bats. Therefore, nor can confirm that the proposal

would not be detrimental the maintenance of a population of bats a favourable Conservation status in its natural range.

Yn gywir / Yours' faithfully,

Ruth Prichard
