Flood Officer comments to the above

From: Neil Taunt
Sent: 08 August 2016 08:49
To: Matthew Phillips
Subject: P/2016/0722

Hi Matthew,

I've reviewed the submitted information regarding the above reserved matters application. Limited information is included with regards to the management of 2 surface water attenuation ponds then majority of which is concerned with ecological mitigation. No information is included with regards to the design of the attenuation system (with no surface water condition included on the appeal decision). I therefore have no further comments on this application.

Many thanks

Neil
