Attachments: RE: [External] RE: Rebuild Existing 11Kv Overhead Line - Offa's Dyke, Plas Crogen, Selattyn, Oswestry, SY10 7NT

Importance: High

Good afternoon Planning Department,

In connection with the above and the latest correspondence with Mark Walters on your portal, please find attached an email from Will Davies together with our replies to the CADW Ancient Monument Query at Plas Corgen, Selattyn.

Will Davies has confirmed that scheduled monument consent is not required provided access is not taken through/over Offa's Dyke. This has also been agreed for the removal of the existing pole.

I hope this has clarified our position with CADW and hope the Form B planning application can continue forthwith.

Many thanks,

Ben
