Dear Mr Isted,

**RE: APPLICATION FOR LISTED BUILDING CONSENT: CHIRK MILL, CHIRK,
WREXHAM**

Thank you for notifying us of this application for listed building consent for various alterations to this listed building.

The remit of the Royal Commission permits us to comment only on the historical significance and context of a monument or structure and on the adequacy or otherwise of the record. Chirk Mill was listed for its historical associations and as a large eighteenth-/nineteenth-century large water-powered corn mill. The opening up of the blocked windows and doorway are straightforward. The removal of the internal wall and any impact on surviving machinery will need to be very carefully considered given the reasons for listing.

Yours sincerely,

RICHARD SUGGETT
