FAO: Sharon Holman

Your ref. P/2016/0550

Our ref. 32298

Replacement of lean to roof with new pitched roof a the Forge, Pont y Blew, Chirk.

Dear Sharon,

Please find attached a pdf copy of our response to the above mentioned case. I took quite some time considering whether the new extension was too tall. I would be interested to hear your thoughts but at present we feel it could work if the central roofline was altered (see letter).

Kind regards,
Elgan
