

LEGEND

Diagram illustrating a stepped slope cross-section with various levels and contours. The diagram shows a series of steps descending from left to right. Key features include:

- SITE BOUNDARY:** Indicated by a green line at the top left.
- FINISHED FLOOR LEVEL:** Indicated by a green line.
- FINISHED LEVEL CONTOUR AT 0.1m INTERVAL:** Indicated by a green line.
- FINISHED LEVEL CONTOUR AT 0.5m INTERVAL:** Indicated by a red line.
- 77.0:** A specific elevation point marked on the red contour line.
- GRADED BANK AT 1 IN 3 (MAX.) SLOPE:** Indicated by a dashed line at the bottom left.
