Hi Barry

We're pretty busy here!

Thank you for the plan. I will forward it to Matthew Phillips in Planning. The plan clearly shows the extent of the private garden for the property being built, although I will still require an accompanying written statement as detailed in my letter dated 29 March 2016 to Mrs Edwards (attached for information).

Kind regards Angela

Hello Angela

I trust you are keeping well and WCBC are looking after you?!!

In response to a letter you sent Helen Edwards, dated 29th March 2016, I was asked by Helen to prepare a remediation plan and accordingly attach drawing RD/03.

I trust the content is satisfactory, however feel free to contact me if you require further information.

I would be grateful if you could acknowledge receipt.

Kind regards

Barry
