Good afternoon Bob, Matthew

Please see the attached documents which should hopefully explain where things are at present.

I apologise Matthew, I may not have copied you into the latest correspondence. As mentioned in my email below (of the 15th July), I can recommend that Condition 2 is discharged, but until the Verification Report is submitted and approved (as described in my letter of the 15th July to Mrs Edwards, attached) I would not recommend that condition 3 is discharged.

Kind regards Angela

Ms Angela Guy

good morning

This has been rather a protracted case since you and I met down there several summers ago.

Unfortunately I have only been brought in again at a late stage so I haven't seen anything that was submitted to you for agreement.

would you be kind enough to please send me copies of what you have received so that I can get Matthew to agree them formally.

many thanks

Bob Dewey

I am also sending a copy of this letter in the post along with the guidance document.

I will advise the Planning Team that Condition 2 has been satisfactorily complied with.
