Dear Sir/Madam,

**PROPOSED BUILDING EXTENSION TO STORE MEDIUM DENSITY FIBREBOARD (MDF) AND
CHIPBOARD
KRONOSPAN LTD HOLYHEAD ROAD CHIRK WREXHAM**

Thank you for referring the above planning application received at our office 14th June 2016.

NRW have the following comments for consideration:

Permit

The existing Wrexham County Borough Council's (WCBC) Environmental Permit should be varied to include the changes (vertical extension to an existing building for the storage of medium density fibreboard and chipboard) to ensure the permit accurately reflects all the processes and procedures being undertaken by Kronospan.

Ecology

The design and access statement included provisions concerning ecology. Owing to the nature and location of the proposal, the applicant's conclusions are that ecological issues are not material to this specific submission.

Taking the above into consideration the proposal is not likely to be detrimental to the maintenance of the favourable conservation status of any local populations of European protected species and is not likely to adversely affect any local populations of British protected species.

Yn gywir / Yours' faithfully,
