

NRW Screening Checklist

Questions to be considered		Likely/ Unlikely (Briefly describe)	Is this likely to result in a significant effect? Yes/ No? Why?
1.	Will construction, operation or decommissioning of the Project involve actions which will cause physical changes in the locality (topography, land use, changes in waterbodies, etc)?	No	
2.	Will the Project involve use, storage, transport, handling or production of substances or materials which could be harmful to the environment?	No	
3.	Will the Project produce solid wastes during construction or operation or decommissioning?	No	
4.	Will the Project release pollutants to air?	No	
5.	Will the Project cause noise, or release light?	No	
6.	Will the Project lead to risks of contamination of land or water from releases of pollutants onto the ground or into surface waters, groundwater, coastal waters or the sea?	No	
7.	Will there be any risk of accidents during construction or operation of the Project which could affect the environment?	No	
8.	Are there cumulative effects with other existing or planned development which need to be considered?	No	

9.	Are there any national or international nature conservation designations which may be affected by the proposed development?	No	
10.	Is the proposed scheme likely to affect the natural beauty of a National Park or AONB, or affect the enjoyment of the special qualities of a National Park?	No	
11.	Are there any areas on or around the location which are used by legally protected species of fauna or flora e.g. for breeding, nesting, foraging, resting, overwintering, migration, which could be affected by the project?	Yes	These can be addressed within the provisions of a non-statutory ecological impact assessment
12.	Are there any inland, coastal, marine or underground waters on or around the location which could be affected by the project?	No	
13.	Are there any areas on or around the location which are already subject to pollution or environmental damage e.g. where existing legal environmental standards are exceeded, which could be affected by the project?	No
