Hi Russell

Hafod y Wern CP School ref: P/2013/0876

Further to our telephone conversation earlier today, I confirm that we are happy to delete the requirement for any additional traffic calming feature along Deva Way (ie/ planning condition 12). However, we will require the provision of 2 no. dropped kerb crossing points in lieu of the raised table as indicated on the attached layout plan.

Regards, Phil

Hi Phil ,
Can you please update Russell in relation to this matter?
Many thanks
Darren

Darren

Further to our meeting in January and the subsequent drawing attached, I don't believe we have received formal acceptance in order to allow us to discharge the associated planning condition.
