I object against the planning of 365 dwellings on the land of Home Farm Gresford Road because of the extra traffic that will use this Road and also it is difficult to get a appointment at the local Surgery this will have an impact on the village in general also this will cause an overcrowded school.

~~It~~ It is already a busy Gresford Road and this will be a nightmare for the residents living here.

I would like to receive a copy of the appeal letter
Thank you. Yours faithfully
