Dear Philip

Thank you for the consultation on this application.

Information held within the Historic Environment Record indicates that the proposed landscaping with new trees on the eastern boundary, together with the new recycling bin enclosure, may lie within, or immediately adjacent to, the scheduled monument known as SAM De 165 Wats Dyke south of Ruthin Road, Wrexham.

In this case the applicant should contact Cadw to determine whether scheduled monument consent will be required for these works. In this case the contacts would be Nichola Davies (Casework Officer) nichola.davies@wales.gsi.gov.uk and Will Davies (Regional Inspector) will.davies@wales.gsi.gov.uk

We have no objections regrading the rest of the development area.
Kind regards

Mark Walters
