Afternoon Kevin,

Following the request from Highways dated 4 March, please find our Drawing No C 909 – 09 showing the planting bed removed to increase the available parking space adjacent to the garage as requested.

It may be worth noting that Highways state that 'the property currently appears to provide 2 no. parking spaces (garage excluded) ' implying that three spaces are available to Totley House.

The existing space designated as a garage is, in fact only 3.3 metres in length and totally unsuitable for parking any modern vehicle so the current provision of 2 spaces is unaffected by our proposal.

We trust the alteration will be satisfactory and look forward to receiving approval in due course.

regards,

Bill Westwood
