Dear Sharon,

RE: CAE GWILYM LANE, CEFN MAWR

I have received the following reports for comment:

- Car Gwilym Lane, Cefn Mawr, Geo-environmental Report, Lingar Holding Ltd. Groundsolve Ltd. February 2016.
- Letter report for the Additional Asbestos Testing at Cae Gwilym, Groundsolve Ltd, March 2016.

I can confirm that the reports are acceptable for the site and I can discharge the first part of the contaminated land condition.

The report states that clean tested topsoil is required for the site, therefore I await the validation report in regards to this for the plots proposed. On receipt and approval of this information I will be able to discharge the second contaminated land condition. I look forward to receiving the information in due course, in the meantime should you have any questions then please do not hesitate to contact me.

We aim to provide our service fairly and we monitor our services to check we are meeting this standard. To help us do this I would be grateful if you would visit the following link <http://www.surveymonkey.com/s/ppequalitymonitoring> and complete the equality questionnaire, which will only take about 2 minutes of your time. Note that this questionnaire is anonymous.

Yours sincerely

Mrs Helen Bradshawe
Contaminated Land Officer
