Cerys

Thank you for your consultation.

Although the chapel is not listed, it is a significant and unusual example of a later C20 chapel, with a very interesting layout.

We regret the loss of this building, but accept that unless it becomes listed, or designated as a building of local importance, an unlisted and redundant single-purpose building on such a viable site is not likely to survive

We therefore offer no objection subject to a conditioned full photographic survey being lodged with the RCAHMW.

Best wishes

Rob Scourfield
