Dear Mr McCann- Downes,

P/2015/0463 – DEVELOPMENT OF A SOLAR FARM AT WILLIAMS FARM, WREXHAM, LL13 9XS

Thank you for your email dated 23rd February 2016 to my colleague Stacey Inglis attaching the chemical test results for the above site.

Having reviewed the information I can now discharge the contaminated land conditions for the above site.

I await the sampling plan for our records. I look forward to receiving the information in due course, in the meantime should you have any questions then please do not hesitate to contact me.

We aim to provide our service fairly and we monitor our services to check we are meeting this standard. To help us do this I would be grateful if you would visit the following link <http://www.surveymonkey.com/s/ppequalitymonitoring> and complete the equality questionnaire, which will only take about 2 minutes of your time. Note that this questionnaire is anonymous.

Yours sincerely

Mrs Helen Bradshawe
Contaminated Land Officer
