Dear Philip

There is no particular objection to the catering facility, also low-key and discrete, but it was made clear to me yesterday that the NT were not going ahead with it.

Best wishes
Glynis

Dear Glynis,

Thanks for the comments.

I note that your closing comment is that the catering facility is no longer being pursued at this time. However, it still forms part of the application and I have received no instructions from the applicant regarding its removal. Until such time, it will form part of this application for consideration.

Regards

Philip

Dear Philip

P/2015/0919

Proposed development Erection Of New Small Catering Facility And Two Compost Toilet Units Within The Wolf's Den Area Of Woodland Outside The Formal Gardens, Erddig.

Thank you for consulting with the Welsh Historic Gardens Trust (WHGT).
Further to a site visit WHGT (Clwyd branch) have no objections to the planning application for the two compost toilet units.

These will replace the current plastic portaloo on the site and will improve the visitor experience.

I am satisfied that the two units are designed to be low-key and unobtrusive and will not be visible from within the formal garden.

The compost toilet units will also have little impact on the wider parkland landscape.

The development of the catering facility is now no longer being pursued at this time.

Yours sincerely
Glynis Shaw
