Phil,

Thanks for the additional information. I've asked our flood risk dept to look at the additional information, and hopefully we can get back to you within the normal timescale. If not, I'll let you know.

Thanks,

Gareth

Dear Sir/Madam,

I recently consulted you on the above mentioned planning proposal. It has come to light that documentation was missing from the submission that you would be required to consider. This related to the proposed drainage strategy for the site.

It is now displayed on our website in the normal way. I would happy to agree to an extension of time for its consideration should you require this.

Many thanks and regards.

Philip
