Dear Mr Phillips,

Thank you for consulting us on the relaxation/variation of condition 2 relating to permission P/2014/0511.

In our view, the ecological submission (reference Tyrer , S. (2016) Holt Lodge Farm, Hugmore Lane, Wrexham, LL13 9YE: Method Statement in Relation to Bats in Lieu of European Protected Species Mitigation Licence. Unpublished is satisfactory for the purposes of informing the planning decision making process.

We therefore have no objection to the proposed relaxation/variation of condition 2.

Kind Regards,

Gareth Thomas
