TOWN AND COUNTRY PLANNING ACT 1990

Dear Sir/Madam,

**PROPOSAL: EXTENSION TO NORTH AISLE TO PROVIDE ACCESS AND WC
FACILITIES FOR THE DISABLED
LOCATION: ST MARYS CHURCH HIGH STREET OVERTON WREXHAM**

Thank you for consulting Natural Resources Wales about the above, which was received on 02/03/2016.

Natural Resources Wales brings together the work of the Countryside Council for Wales, Environment Agency Wales and Forestry Commission Wales, as well as some functions of Welsh Government. Our purpose is to ensure that the natural resources of Wales are sustainably maintained, used and enhanced, now and in the future.

Protected Species

Bats and their roosts are protected under the Conservation of Habitats and Species Regulations 2010 (as amended) and the Wildlife and Countryside Act 1981 (as amended). We advise that you should consult your internal ecologist with regards to the potential impact of the proposed development on the favourable conservation status of populations of bats.

Should your ecologist advise that further information is required in order to assess the likely impact of the development on bat species, NRW would wish to be re-consulted on the protected species assessments supporting the planning application.

To conclude, NRW does not object to the proposed development.
Please do not hesitate to contact us if we can be of any further assistance to you or if you wish clarification on the above.

Yours faithfully,

**Sara Price Jones
Casework Support Officer
Development Planning Advisory Service**
