Sharon

Nearest public open space would be Moss Valley Park. The money could be used to improve the play area or improve the footpath network in the park. Will the development create any play facilities onsite, at Boozey fields ? If so will the developer be caring for the facility at Boozey Fields ?

Hi Martin, I hope you are well.

I currently have this application at Boozey Fields (please see attached location plans) under consideration. Proposed is a combination of on and off site POS.

We have £20,000 to be secured by S106 is you could point me to the nearest existing area of POS that we could use the money to improve/augment?

Many thanks
Sharon
