Please find attached my response. I note your email below refers to 13 dwellings whereas the previous email refers to 12. I have used the 13 for the figures.

There is a small amount of space at Brymbo school but not Gwersyllt High School

Hi Denise,

Further my previous email, please can you provide me with an indication of whether any education contributions will be required in relation to the above site.

The site is in the centre of Brymbo on High Street. The development is for the erection of 13 no. 2-3 bed dwellings. If you could just give me an indication of whether there is a need in the area, I can work the figure out from our guidance note. The application will need to go to Planning Committee with a recommendation for approval in December, so I need a confirmation for my deadline on 20th Nov.

If I do not hear back from you I'll assume there's no contributions required in this area.

Phil
