Hi Philip

The developer sent this info through to me the other day. I took a look and then drafted a response to your consultation. My letter should be with you in the next few days. There aren't any issues

Regards
Henry

Dear Sir/Madam,

I recently consulted you on the above mentioned planning proposal. It has come to light that documentation was missing from the submission that you would be required to consider. This related to the proposed drainage strategy for the site.

It is now displayed on our website in the normal way. I would happy to agree to an extension of time for its consideration should you require this.

Many thanks and regards.

Philip
