Hi Matthew

The applicant for the above mentioned site has been in contact about the consultation response we have offered (see attached). We have offered a condition requesting that any new connection is made between manholes SJ09836029 and SJ09835030. This condition has been offered in error and I would request that you omit this condition for any planning approval issued. I would not wish to offer a point of connection in relation to this application

Regards
Henry
