18th November 2013

Re. Corner Farm, Overton Road, Penley, Wrexham LL13 0LU.

Dear Anna,

Please find the lath panel, I hope it is not too large and please feel free to dispose of it, as I do not need it back.

The lime plaster to the lath will be Ty Mawr base coat with synthetic hair, with a scratch and top coat of Ty Mawr topcoat lime plaster. Both of these products are the same as you have seen us using on previous visits.

Would you please confirm these are acceptable.

For your information I have sent the photographic survey to the Royal Commission in Aberystwyth this week.

Best wishes,

A handwritten signature in black ink, appearing to read 'L. Kellaway'. The signature is fluid and cursive, with a large initial 'L' and a long, sweeping tail.

Leigh Kellaway
