YOUR COMMENTS ON THE CASE

Please provide your representation below.

This proposal would be detrimental to similar shops in Gresford & Rossett - these two villages being within 3 miles of each other - with the proposed retail unit in between

The retail unit would have access onto the B5445 at a hazardous point of the road —

- on the brow of the hill - where visibility is poor
- by a zebra crossing - used extensively by children
- where three side roads join the B5445

All this makes it a busy traffic area already.
