PORCH CONSTRUCTION
150mm X 150mm oak posts are to be securely bolted into galvanised mild steel post holders. Post holders are to be cast into 450mm x 450mm x 450mm pad foundations as indicated to ensure no movement is possible. Roof coverings are to be as per roof construction above Master Bedroom. Truss forming canopy to be made on site out of oak, joints are to be traditional. Oak truss to support 100mm x 75mm wallplate which in turn will support 100mm x 50mm C16 rafters. Rafters to be undercloked with 19mm T&G boarding. Code 4 lead flashing to be installed at all roof/wall abutments
