YOUR COMMENTS ON THE CASE

Please provide your representation below.

As residents in the area for 46 years
we have seen the difficulty of making this area of main
road which runs along the Red Lion Pub
and at the cross of the hill near two bus stops
safe. There is a school within very close proximity
of the school and as Mayford spans both sides
of this main road children have to cross as do
residents when they have to use the buses.
It is therefore already a vulnerable area for safety.
We object to any proposed development of a
retail unit here as it would greatly increase the
safety here with both delivery ~~and~~ wagons and visiting
customer vehicles using the area proposed.
Buses also stop on both sides of the road taking and
bringing children to and from schools in Wrexham
