Tax-free Bikes for Work with Cyclescheme

Welsh Ambulance Services NHS Trust is pleased to announce their new Cycle to Work scheme **will start on the 1st March 2012.**

Get fit, lose weight, help the environment, save money!!!!

All WAST employees will be able to sign up to the scheme in order to obtain bicycles and safety equipment whilst saving income tax and national insurance.

You can obtain bicycles and safety equipment, up to a limit of £1000. The scheme works by having the bike and equipment cost taken from your gross salary and you spread the cost of a new bike over 12 months.

Welsh Ambulance Services NHS Trust is administering this benefit in partnership with Cyclescheme Ltd, the UK's No.1 Cycle to Work provider. Cyclescheme work with local, independent bicycle retailers and have over 1,800 partner stores nationwide.

You can find your local Cyclescheme Partner Store, check your savings and from the 1st March until 30th April 2012 request a certificate at the following address:
