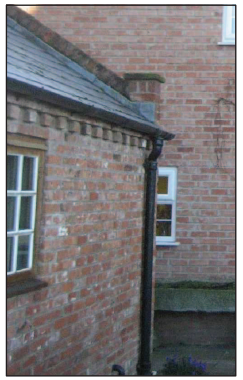

Photograph 1
The outbuildings will be constructed in a style to match the extension to the side of the Hall as above.
The brick will be that used in the existing outbuilding.
The slates will be matching in size and colour.
The timber lintels over the existing openings on the outbuilding will be re-used for the new door positions.

Photograph 2
The parapet walls to the verges will have the same brick on edge detail and stone-capped corner posts.

Photograph 3
The eaves brick detail will match as above.
Code 4 lead flashings will be let into the parapet wall as above.

Photograph 4
The gutters will be matching half-round cast iron on rise and fall brackets discharging into matching round cast iron down pipes
