I have visited the site today to view the facing material sample and can confirm approval of the proposed stone. Please be reminded that we have yet to approve the pointing sample, and I look forward to hearing from you in this regard in due course.

For the attention of : Sharon Holman-Planning Department

Please note that a sample of the stonework to be used on the wall of the extension is available for site inspection.

Your earliest attention would be appreciated as work is expected to proceed on Wednesday, 22 May 2013.

Kind regards

Paul Jones
