Honeywell

Multi-Skilled Maintenance Technician

St Asaph, North Wales • £ Competitive + Benefits

You will provide Maintenance support to manufacturing and assembly areas for our Electrical Devices & Systems Division.

As an integral member of the team you will:

- Liaise with departmental team leaders to co-ordinate maintenance priorities
- Carry out condition monitoring, planned and preventative maintenance using a Computerised Maintenance Management System
- Develop and implement manufacturing process improvements
- Maintain and update equipment records and documentation
- Be able to work as part of a shift rota

Skills & experience required:

- Experience of electrical and mechanical manufacturing maintenance
- An understanding of PLC (Programmable Logic Controller) controlled plant and equipment
- An in depth knowledge of hydraulic/pneumatic circuits
- Good computer skills
- Good communication skills with the ability to work within cross functional teams
- Self motivated and must be capable of working with minimum supervision
- Strong HSE awareness
- Must demonstrate drive, enthusiasm and commitment for supporting a progressive maintenance strategy and display a flexible approach to working within a small team environment

At Honeywell, our top priority is having great people who can live up to the demanding expectations of our customers and markets. To help you live up to those expectations, we emphasise continuous learning and development, giving you the chance to develop your career. We look for people driven by desire to contribute, be challenged and grow. Our people make Honeywell a special company.

together

care, education, support - since 1970

Residential social care workers I & II

Full time - 40 hours per week
Salary points 16 - 23 (£15,696 to £19,284 per annum)
Job reference: 2011/33

JOB PURPOSE

To work as part of a residential care team, providing support for individuals with their physical, health, emotional and social needs with an emphasis on promoting independence, whilst preparing, assisting and enabling them to fulfil the aims of their personal care plan.

NATURE OF THE POST

The post holder will be based at one of our residential units. Employees should note: however, they are employed by the Trust and may be required at some point to work at other appropriate Together Trust units.

The individuals in the care of the Together Trust will have a variety of complex needs for which they will need varying levels of support. In order to provide the required support the staff team will work shifts allocated by the Manager or delegated deputy. This includes weekends, evenings, and providing support on the young people's annual holidays. A number of administrative hours will be spent attending meetings, supervision/appraisal, training and young people's reviews. In undertaking activities with the young people and on behalf of the unit the post holder can expect to use the Trust's vehicle based on the unit.

CLOSING DATE: 12 Noon, Wednesday 31 August 2011

For an application pack and further information, please either:

- Email: recruitment@togethertrust.org.uk
- Visit our web site: www.togethertrust.org.uk
- Contact the recruitment hotline on 0161 952 4266

Please note due to the nature of the roles a full enhanced CRB disclosure will be undertaken by the Together Trust. The Together Trust is committed to keeping children and young people safe and will strictly follow procedures to ensure this. The Together Trust is committed to equality and diversity.
