Hello Matthew,

Thank you for the information. I can confirm approval of the proposed lighting scheme and that condition no.9 has been met.

I will write formally next week to discharge the condition.

Kind regards
Sharon

Importance: Low

Dear Sharon,

We have recently met with the applicant who has obtained quotations to carry out the works. We note the 10 conditions of which 1 (Condition 9) requires supplementary information to be submitted covering lighting proposals.

The client wishes to include low-level bollard lighting to match that already used at the premises. A photo is attached for your reference. The proposal is to have 3 bollard lights positioned 1 at the entrance to the new car park, 1 within the car park and 1 at the end of the car park as indicated on the attached plan.

Your comments/discharge of the condition would be welcome.

Kind regards

Matthew Gregory
