

MEMORANDUM

From: Infrastructure and Planning Manager

To: Chief Planning Officer

Our Ref: DC/PD/2011/0444

Your Ref: P/2011/0444

Date: 6 September 2011

TOWN AND COUNTRY PLANNING ACT 1990.
TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995.

Location: O. S Grid Ref: 2880 4520 Land east of Afoneitha Road, Penycae
Development: Erection of 6 3 bedroom semi detached dwellings (amendment to previously granted under code no P/2007/0112)

I refer to your revised consultation dated 31 August 2011 in respect of the above.

The site has an existing permission for the erection of 9 dwellings. This proposal increases the number of dwellings to 12.

To adequately cater for the additional dwellings it is considered necessary to increase the road width to a minimum of 4.8m; which the applicant has demonstrated on the submitted plan.

The highway design at the kerb radius south of plot 1 is now considered satisfactory.

The amended parking arrangements are satisfactory.

I recommend that any permission include the following conditions:

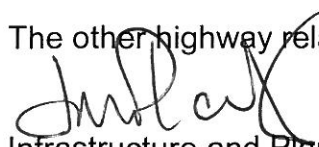

CONDITIONS

ZJ41 GENERAL LAYOUT

026R Prior to first use of the development the site shall be laid out in strict accordance with layout plan(s) 11 /16 PL 1b

PLUS

The other highway related conditions from the original permission P/2007/0112

Infrastructure and Planning Manager
