Simon,
Further to my e-mail of yesterday I have now had further discussions with Cllr Mike Morris who informs, following the most recent Holt CC meeting, that there is no support for the introduction of traffic restrictions at The Cross in Holt. I can therefore inform you that we will not be progressing this matter any further at this present time.

Darren

Simon,
An informal consultation has been undertaken by Holt CC with a view to implementing some waiting prohibitions around The Cross, but at this present time we have not had any feedback from this consultation.

However, should there be a wish to progress the matter a formal consultation will need to be undertaken prior to the placement of any restrictions. This will more than likely take place next year, with the implementation of the restrictions being completed by next summer.

Hope this is of some use.
Regards
Darren
